2010 SPRING - SUMMER

Will you do me a favor? I'm looking for people who read this brochure to spread the word. To tell their friends and neighbors about the fantastic program our Recreation Department offers our residents.

From our beautiful, sandy lakeshore beach, picnic grounds and fitness center to our challenging and picturesque 18-hole golf course. From neighborhood softball leagues, to day camp, to swimming and tennis lessons; to arts & crafts, to 38 playgrounds, tot lots and senior programs there is fun and wholesome recreation for everyone.

I'm proud of Hamburg's year-round recreation leadership. Our beach, for example, is the envy of communities for miles around...and it's exclusive for Town families. Stop at our Recreation Headquarters and meet some of our skilled, professional staff members...be sure to get your photo discount card and beach sticker. Then head out for total fun in the sun. Enjoy!...and spread the word. Hamburg's comprehensive recreation program is FIRST CLASS. You can't beat it. Anywhere!

Sincerely,

Steven J. Walters
Supervisor, Town Of Hamburg

ACKNOWLEDGMENTS

The Town of Hamburg Recreation Department extends its appreciation to the following organizations for their assistance and cooperation in making our programs possible:

Frontier Central Schools - Hamburg Central Schools - The Sun - Front Page - H & K Publications - Village of Hamburg - Village of Blasdell - Town of Hamburg Buildings & Grounds - Erie County Department of Parks, Recreation & Forestry - New York State Office of Child and Family Services.

FACILITIES

HAMBURG TOWN PARK

4420 Lakeshore Rd., (Route #5), Athol Springs, NY 14010

Hamburg Town Park is located on the shore of Lake Erie and includes a bathing beach, boat launch and a year-round, fully equipped fitness center. In an October 1914 deed, the Locksley Park Company donated this land to the Town of Hamburg for its citizens recreational use.

HAMBURG TOWN BEACH

The sandy beach swimming area is patrolled by certified lifeguards and is open from 11:00 AM to 8:00 PM from June 6th through Labor Day. A snack bar, changing rooms and rest rooms are available for the public.

The Town Park/Beach is open to all Town of Hamburg Residents; park permit stickers must be purchased at the Hamburg Fitness Center, located in the building overlooking the beach.

BOAT LAUNCH

Adjacent to the swimming area is a boat launch, available to all Town of Hamburg residents who have obtained a boat launch permit sticker. Permits can be purchased at the Hamburg Fitness Center located on the grounds of the Hamburg Town Park. **Docks will be installed if lake levels are at an appropriate depth. If docks are not installed, boaters will be discouraged from launching large vessels. A signed waiver of liability is required when applying for a boat launch permit.**

In addition to the regular boat launch, a special area has been set up for windsurfing.

FITNESS CENTER
Phone 627-4168

The Fitness Center, located on the upper level of the beach house, is open year round and offers an array of cardiovascular equipment, free weights, weight machines, and a separate aerobics room.

The Fitness Center is staffed with certified personal trainers and aerobic instructors. Due to a covenant on the property deed, the facility is open to Town of Hamburg residents only. Resident discount cards are required for membership and are available on site. Registrants may choose from monthly or yearly membership options. For further information, please call the Fitness Center or the Recreation office.

NOTE: A valid beach sticker is required for parking.

LAKEVIEW ROAD RECREATION AREA
2982 Lakeview Rd., Hamburg, NY 14075

The Lakeview Road Recreation Area is commonly called the "NIKE BASE", a reference to the facilities days as a United States Army Base. Acquired as recreation land in 1969 by the Town, the Nike Base is now home of the Recreation Department's relocated offices.

The complex also includes the Hamburg Town Arena, a model air park and a BMX bicycle course. In addition there are athletic fields for soccer, football, lacrosse, baseball and softball (lighted).

With strong community support, two major projects that will enhance the facility are currently under construction. The first is a hill for sledding and snowboarding with materials and labor generously supplied by the Riefill Corporation. The second project, funded by the Hamburg Rotary Club, is the development of two more ball diamonds (1 baseball, 1 softball).

The Town of Hamburg wishes to express its gratitude to these organizations for their commitment to the citizens of our Town.

RECREATION ADMINISTRATIVE OFFICES
Phone 646-5145

In March 1994, the Recreation Department moved its headquarters from Hamburg Town Hall to a renovated office building located on the Lakeview Road Recreation Area grounds. The building features increased office, storage and meeting space. The building is also utilized for the Town Tot (3-5 yr. old) program.

HAMBURG TOWN ARENA
Phone 649-8771

During the winter months the arena is host to programs such as Learn to Skate, Skate & Shoot and Public Skating sessions. In addition, organizations such as the Hamburg Municipal Hockey Association (HMHA), and the Skating Association for the Blind and Handicapped (SABAH) provide opportunities for youth in their respective programs. In the summer months the Recreation Department utilizes the building for Day Camp Friendship (6-14 yr. old), and youth/adult floor hockey/roller hockey leagues. The facility can be rented in the fall/winter (ice) or spring/summer (Sport Court) seasons for private parties.

ATHLETIC FIELDS

Athletic fields currently exist for softball (lighted), baseball, soccer, lacrosse and football and are utilized by organizations such as the Young America Soccer Club and the Hamburg Knights Lacrosse Association.

MODEL AIRPARK

The Town teamed with Erie County in 1973 to establish this five-acre flying field on the Recreation Area grounds for model aircraft enthusiasts. Today it is home to both the Flying Knights and the Radio-Controlled Aircrafters.

BMX BICYCLE TRACK

The Town constructed this 400 x 600 foot outdoor track in 1984 and has a lease agreement with the Southtowns BMX Club. The BMX Club holds four competitions per month between May and September.

MASTER PLAN

The Town of Hamburg has been actively seeking grant money to complete the "Lakeview Road Recreation Area Master Plan," which if completed, will make the facility the Town's premier recreation complex. Possibilities include a field house, gymnasium/pool building, community garden, nature center, additional sports fields, picnic areas, and a pedestrian/bicycle path linking the Nike Base to the Hamburg Town Park/Beach and the Hamburg Golf Course.

Character Council of Hamburg

The Town of Hamburg Recreation Department supports the mission of the Character Council movement in Hamburg. Character development has become an integral part of our staff development and should be reflected in our interactions with patrons and participants. The National Alliance for Youth Sports, of which we are an active chapter, strongly addresses character issues in youth sports programming.

The character virtues we will be observing include the following:

2010

Tolerance	Creativity	Discretion	Endurance
	Meekness	Security	

SPECIAL EVENTS

Throughout the summer months the Recreation Department conducts many special events. Among these are the "Blast at the Beach", Dash 'N Splash Family Fun Run, and the Peter Black Memorial Tennis Tournament. For further information, watch the local papers or call 646-5145.

NATIONAL ALLIANCE FOR YOUTH SPORTS (NAYS)

The Town of Hamburg Recreation Department is an active chapter of NAYS. NAYS is a national non-profit organization dedicated to improving youth sports. NAYS programming offered in the Town of Hamburg include the following:

EDUCATION

NYSCA (National Youth Sports Coaches Association)

Training volunteer youth coaches on how to work with children in all aspects of sports. Coaches receive training, continuing education, excess liability insurance coverage, and is held accountable to a code of ethics when coaching.
Clinic dates to be announced.

PAYS (Parents Association for Youth Sports)

A Program featuring innovative materials and information for youth programs to utilize which help to make parents aware of their roles and responsibilities in youth sports.

NYSAA (The National Sports Administrators Association)

The NYSAA works to assist volunteer administrators, league presidents and board members in their efforts to set high standards and provide a safe, positive experience for the youth they serve.

YOUTH DEVELOPMENT

HOOK A KID ON GOLF

Through its Tee Level Introductory Clinics and Challenge Golf Leagues, Hook A Kid On Golf provides communities with a comprehensive youth golf program.

START SMART Sports Development Program

START SMART brings parents and children ages 3 and older together in an instructional program that teaches parents how to best teach their children skills that will give them a positive and successful start in sports.

The Town of Hamburg is continuing its effort to develop further NAYS initiatives. Currently a Certified Youth Sports Administrator (CYSA) is on staff. This individual assists local independent youth sports organizations with all aspects of NAYS programming. In addition our CYSA will implement a plan to raise community standards in youth sports based on recommendation from a National Summit.
