2017 Program Year

Mobile Home Renovation Loan Program Application

Thank you for your interest in the **Town of Hamburg's Mobile Home Renovation "Loan" Program**. I am pleased to include the attached program application packet. Should you decide to apply for this program, fully complete the enclosed application and compile the required income verification documents as listed on the second last page of this package, (Exhibit "A"). Once you have completed the application and have compiled all of the required income documents, please call Timothy Regan; Assistant Director of Community Development, at 648-6216 so that he can arrange a meeting with you to go over important items you will need to know about this program, including our approval process, inspection procedures, contractor selection and any waiting list that may be in place for program funding.

This owner-occupied, **Mobile Home Renovation "Loan" Program** is offered by the Town of Hamburg through its Department of Community Development and is funded by the United States Department of Housing and Urban Development (HUD) through the towns Community Development Block Grant (CDBG) program. **Currently, the funding for this program has been targeted for elimination by President Trump and his administration, so funds may not be available in the near future.** To that end, there is no guarantee that this program will be available for use within the 2017 program year. This will require us to initiate a waiting list for entry into this program. Any waiting list for program funding will be based upon priority improvements and income status. If you are funded through this program, all contracts for renovation work to be completed will be between yourself and the contractor/worker you select to complete the work approved through this program. In addition, no work or activity can be initiated at your dwelling prior to authorization by the Department of Community Development. As a point of information, eligible contractors/workers are not assigned nor recommended by the Town of Hamburg or the Department of Community Development. Finally, when funded, our program works very efficiently and allows for approved repairs to be completed at your dwelling, which in turn allows you/your family to live within a decent, safe and improved environment.

Lastly, this is a loan program. Interest rates are either 2%, 4% or 6% depending on your current income. See page two of this application packet for specific details regarding income levels and interest rates. This loan program has been successful over the years because the loan payments that you make go into your neighbor's mobile home in the form of their loan so they can live in an improved environment as you have. Please carefully examine this application packet and if you have any questions or concerns about this program, please contact us at 648-6216. We look forward to working with you soon!

Sincerely,

Christopher Hull; Director
Department of Community Development
