4. Colley Pools project at 4953 Camp Rd. – Recommend two entrances so as to prevent interaction of heavy equipment and restaurant customers.
5. Planning Board – BAC project – TSAB requests plan layout inclusive of roadways and, if possible, new thruway entrance prior to opinion being offered.
6. Approved resolution to preclude signage in right-of-way from having elected officials names because of unnecessary driver distraction, cost, lifespan and obvious political promotion.
