## 2019 Program Year Housing Renovation Loan/Grant Program Application

Thank you for your interest in the **Town of Hamburg's "Housing Renovation Program"**. We am pleased to include this program application packet. Should you decide to apply for a grant or for a no/low interest loan through our program, complete the required information within the following application and compile the required income verification documents as listed on the second last page of this application packet, **Exhibit "A"**. Once you have completed the application and have all of the required income documents, please call Timothy Regan, Assistant Director of Community Development, at 648-6216, so that he can arrange a meeting with you to go over important items you will need to know about this program, including our approval process, inspection procedures, contractor selection, funding issues, and any waiting list that is currently in use.

This owner-occupied, single-family, housing renovation program is offered by the Town of Hamburg through its Department of Community Development. Funding for this program is provided by the United States Department of Housing and Urban Development (HUD) through its Community Development Block Grant (CDBG) program [Loans] and/or its Home Investment Partnership (HOME) program [Grants]. Due to the fact that these programs have two separate regulations, there are different housing value limits for each program.

- 1) **The Renovation Loan program** utilizes federal CDBG program funds and has a single-family home after-renovation value limit of **\$188,000**.
- 2) **The "Conditional" Grant program** utilizes the federal HOME program funds and has a single-family home after-renovation value limit of **\$154,000**.

**Since these programs have different funding sources, there is no guarantee that either fund will be available for the entire 2019 Program Year. To that end, we may have to initiate a waiting list for entry into either of these programs. Any waiting list developed for program funding will be based upon priority improvements and income status, ie: Highest renovation priority with lowest income will be first.**

If you are funded through one of these programs, all contracts for renovation work to be completed through either program will be between yourself and the contractor/worker you select to complete the work approved through this program. In addition, no work or activity can be initiated at your dwelling prior to authorization by the Department of Community Development. As a point of information, eligible contractors/workers are not assigned nor recommended by the Town of Hamburg or the Department of Community Development. Finally, when funded, our programs work very efficiently and allow for approved repairs to be completed at your dwelling, which in turn allows you/your family to live within a decent, safe and improved environment. If you have any questions or concerns about this program, please contact us at 648-6216. We look forward to working with you soon!
