## First Time Home Buyer Application - 2020 Program Year

Dear Prospective Applicant(s);

Thank you for your interest in applying for the Town of Hamburg's "Hometown Housing Program" for first-time home buyers. This program provides an opportunity for you/your family to purchase an existing, single-family home within the Town of Hamburg, which also includes the Villages of Blasdell and Hamburg. In order for the Town of Hamburg to determine your/your family's eligibility for this program, you must complete and send back the three (3) enclosed forms labeled "A" and "B", and the Certification Form labeled "C". In addition to these three (3) forms, you are required to forward specific income verification documentation that pertains to your/your family's income situation (**see Exhibit "A" at the end of this packet**). Our office requires **original** signatures that have been legally notarized for **all** persons applying for grant funds through this program.

In order to become an eligible applicant for this program, you must satisfy specific income requirements as regulated by our funding source, the United States Department of Housing and Urban Development (HUD). The following income restrictions are based on figures received from HUD and were last updated on **May 1, 2019** (these income limits are subject to change at any time by HUD). Currently, to purchase a single-family home through this program, an applicant's gross income cannot be greater than that shown on the following chart. (Gross Family Income includes all members of a household and a percentage of all bankable funds, stocks, bonds, annuities, land value owned, etc.). Income verification/qualification for all clients will take place as you initially apply for our program and again at various stages throughout your progress through our program, as mandated by the regulations for this program. Again, an applicant's gross income cannot exceed the amount shown for the number of persons to reside in the home to be purchased through the program.

<u>Family Size:</u>	<u>Maximum Income:</u>
<b>1</b>	<b>\$43,050</b>
<b>2</b>	<b>\$49,200</b>
<b>3</b>	<b>\$55,350</b>
<b>4</b>	<b>\$61,500</b>
<b>5</b>	<b>\$66,450</b>
<b>6</b>	<b>\$71,350</b>
<b>7</b>	<b>\$76,300</b>
<b>8 or more</b>	<b>\$81,200</b>

Once we receive your completed application with all of your appropriate income documentation, we will review the information to make a determination as to your eligibility for our program. Currently, notifications pertaining to program approvals may take as long as two (2) weeks. This time varies for all applicants and is dependent upon the level and quality of the documentation provided with your application. If for any reason a determination of your current income cannot be made, your application will be returned for further information and/or an extension of time through which the income verification process will be required.

**The Town of Hamburg has the sole authority to approve/deny applications for entry into its program.**

**The Town of Hamburg can request further documentation and/or extend time frames required for making income determinations for entry into this program.**

## Current First-Time Home Buyer Program Procedures

- A) All applicants will receive correspondence from our office stating one of the following options:
- 1) Programmatically Approved for entry into the program.
  - 2) Denied for entry into the program.
  - 3) Required to submit further documentation to clarify your application.
- B) No application for entry into this program will be accepted/processed for anyone who has:
- 1) **Previously owned a home or was listed on a deed as co-owner.**  
(Certain circumstances such as divorce can still make an applicant considered a first time homeowner (call our office for specific details)).
  - 2) **Already entered into a Contract of Sale for a home.**  
(If it is determined that a contract of sale was entered into for a specific home prior to receiving our Town of Hamburg "Programmatic Approval", the programmatic approval will be revoked and no monetary assistance will be provided through this program).
  - 3) **Is bidding or has already bid on a home.**  
(If it is determined that negotiations were initiated for a specific home prior to receiving our Town of Hamburg "Programmatic Approval", the programmatic approval will be revoked and no monetary assistance will be provided through this program).
- C) Eligible homes approved for this program will be limited to single-family only.
- D) Any home purchased through this program must meet a purchase amount utilizing our "but for" underwriting standard:
- That is, we must conclude that the assistance is needed to make the transaction feasible and affordable and that it could not happen "but for" the grant assistance.**
- E) The total value of the primary purchase mortgage and the Town of Hamburg's secondary "Note and Mortgage" cannot exceed 95% of the home's appraised value, as determined by the Town of Hamburg Department of Community Development. This statement explains that you, the home buyer, are required to expend 5% of the total cost of the dwelling with your own funding. This is not a total purchase subsidy program. You will be responsible for a small portion of the costs associated with the purchase of a dwelling through this program, including closing costs. If you have any questions about this statement, please contact our office.
- G) Program step process: Applicant(s) who are programmatically approved for entry into this program will follow the program procedures listed below. These include, but are not limited to the following:
- 1) Client receives programmatic approval into the program.
  - 2) Client gets mortgage pre-qualification, if not previously completed.
  - 3) Home search begins. (Must be in Town of Hamburg, including the Villages of Blasdell & Hamburg)
  - 4) Client finds and views homes to purchase.
  - 5) Client selects home and submits a purchase offer (via realtor or lawyer).
  - 6) Contract of Sale signed and agreed by all parties. **(Our office requires a signed, original Contract of Sale)**
  - 7) Town of Hamburg home, electrical, lead paint inspection and appraisal scheduled and completed.
  - 8) Town of Hamburg home, electrical, lead paint inspection and appraisal reports sent to all involved.
    - 8a) Required repairs and/or lead based paint abatement completed **(If Necessary)**.
    - 8b) Town of Hamburg re-inspection(s) completed **(If Necessary)**.
  - 9) Town of Hamburg dwelling approval after all inspections have been passed.
  - 10) Conditional Grant Commitment issued to client.
  - 11) Conditional Grant Commitment signed, notarized and returned to the Town of Hamburg by client.
  - 12) Attorney/Bank correspondence sent and required documentation received from client's attorney.
  - 13) Client completes required "Homebuyer/Budget Counseling" course and submits documentation.
  - 14) Final income certification completed with client.
  - 16) Grant funds are requested.
  - 17) Home closing scheduled, then completed.

Due to the length of the process outlined above, progression through this program may require more time than that of a standard home sale. Therefore, once you progress to steps 5 and 6 above, ensure that enough time is included within any "Contract of Sale" to allow for the completion of all of our required procedures. We currently recommend the standard forty-five (45) days from the date of the contract signing to the actual closing date at the Erie County Clerk's office.

H) Other Important Information:

- 1) It will be beneficial to you if you have a mortgage pre-qualification amount from a financial institution prior to initiating any existing home search. This will narrow your search for a home to a level you know you can afford. Programmatically Approved applicants will have grant funds committed to them on a first-come/first-served basis based upon purchase offer acceptance and the home passing our program inspections and regulatory procedures.
- 2) This is a first-time homeownership program with "up to" ten thousand dollars (\$10,000.00) conditionally granted for "Mortgage Principal Reduction". Grant amounts are figured based upon income and other factors and will be confirmed within your programmatic approval correspondence.
- 3) A mandatory live-in requirement of ten (10) years accompanies this conditional grant. If the home you purchase through this program is sold, has its title transferred or changed (including quit claim deeds) within the ten year live-in period, the grant funding must be re-paid in full.
- 4) The home **MUST** be your principal place of residence for the entire ten (10) year live-in period or the grant funding must be re-paid in full. Other mortgage conditions will apply! These will be given to you prior to closing on the home being purchased.
- 5) While it is necessary for all program applicants to qualify below the specified maximum income levels for this program, it is also necessary for the applicant to possess an income necessary to qualify for and secure a mortgage from a lender/financial institution. For determining your credit worthiness, lenders, mortgage brokers and financial institutions will utilize your credit information, banking history, debt to income ratio, credit reports, etc. In addition, applicants cannot have more than a specified amount (pertaining to familial size) of annuities/stocks/land value in their possession/name, nor can you have owned a home previously.
- 6) All programmatically approved clients who go on to purchase a house through our program are required to attend "Housing/Budget Counseling" classes as part of the requirements of our program. These counseling classes are provided free of charge by the Town of Hamburg. We will provide contact information to you at the appropriate time. In most cases, our free counseling class will be sufficient for your lender, since our counseling classes are HUD certified.

I) Application:

Enclosed are three (3) forms (A, B, and C) that **MUST** be completed and returned by each applicant. Please provide the information requested. In addition, we have also enclosed a listing of the income verification documents you must provide with your application (Exhibit "A"). Only applications that have completed Forms A, B and C along with a copy of the **2019** federal tax return (All federal forms with all pertinent schedules), a copy of the **2019** New York State tax return (with all pertinent schedules), current employer payroll verification, and all other verifications listed on the required documentation page for all members of the household will be accepted.

J) Privacy/Confidentiality:

The Town of Hamburg respects your privacy and security. Therefore, confidentiality is a main priority for all of our programs. Any information received by our department for program application purposes will be kept confidential within the department. Records must be kept on hand for a minimum of six months after your application is received. After that time, if you are not progressing through our program, all applicant information and documentation will be shredded for security and confidentiality purposes.

K) Notifications:

- 1) Incomplete Applications will be sent back to the applicant.
- 2) Only one application will be accepted per family.
- 3) Programmatic approvals issued to approved client(s) does not guarantee a commitment of grant funds to said client(s).
- 4) Program funding is currently available.

When you have completed the two Forms, "A" and "B" and Form "C", the "Certification Form", and when you have compiled your complete income verification documents, please either deliver all items to our office or mail them to:
