The County of Erie has announced a “Back to Business Grant Program” which contains a \$20 million relief fund offering direct financial assistance to qualified Erie County based small businesses. The program aims to disburse funds to businesses with the greatest need while distributing aid to as many small businesses as possible. To get more information on this program please refer to **BackToBizGrants.org**.

This program is being administered by Erie County in coordination with 43 North. Funding will be granted based on need to businesses that meet eligibility requirements.

Please see the attached Back to Business Grant Program handout which discusses grant amounts, eligibility, use of funds, and how to apply.

Please note that the application deadline is Monday November 2, 2020.

Thank you very much.
