ADMIN@BUSYBEAVERLAWNANDGARDEN.COM

Our mission at Busy Beaver Lawn and Garden Inc is to exceed clients expectations every step of the way when working with our company. We are a family owned and operated company established in the Western New York region.

We are a Lawn and Garden one stop shop from property maintenance to design build install projects. We can help commercial clients, contractors and homeowners tackle almost any project. We retail bulk materials, plants, trees, shrubs, annuals and garden decor and so much more. We intend to use this location to serve the existing clientele that Zittel's country market has built, as well as offering additional products such as; plants, trees, shrubs, bulk soil, mulch, stone and hardscape products such as pavers and wall blocks. We will need to build outdoor storage bins to contain the bulk materials. These bins will be built with concrete barriers. All of this is in effort to service the communities growing needs with Lawn and Garden goods and services. We look forward to growing our business in Hamburg as well as being an asset to our neighbors.

Sincerely,

Elizabeth Bonadonna
